

Statement Mailing Consolidation Form

Many Green Century Funds investor households own multiple accounts in the Funds. Green Century is pleased to offer our shareholders the option to consolidate reporting on their multiple accounts in one mailing. Consolidating your household's accounts will also reduce the number of other mailings you will receive from Green Century, including duplicate copies of our Prospectus and Annual Reports.

We encourage our shareholders to request the statement mailing consolidation option by completing the form below and returning it to us at the address listed below. You'll reduce the paper clutter in your mailbox and home while saving trees and other resources required to produce duplicate documents. If all the accounts you wish consolidated currently appear on one consolidated statement, there is no need to complete this form.

To protect the privacy of the financial information of each of the members of your household, we require the signed authorization of each of the owners of the accounts to be consolidated. Adult custodians may sign the form for Gift or Transfer to Minor Accounts, and Responsible Individuals (as designated on your account registration forms) may sign the form for Coverdell Education Savings Accounts.

Green Century also offers electronic delivery of all statements, tax documents and other shareholder communications. To sign up for e-delivery, or to establish electronic access to your account, visit our website, <http://greencentury.com/access-my-account/>.
