

GREEN CENTURY FUNDS

International Index Fund GCINX/GCIFX

December 31, 2024

As the home of one of the first families of environmentally responsible fossil fuel free mutual funds, Green Century^o has been a leader in sustainable investing for 30 years.

Our three-pronged approach features investments that avoid environmentally onerous industries, a preeminent shareholder advocacy program that pushes for more

sustainable corporate practices, and one-of-a-kind support for environmental and public health organizations.

As an investment advisory firm uniquely founded by nonprofit organizations, 100% of the profits Green Century Capital Management earns managing its Funds can be used to support the critical work of these organizations.

Investment Objective:

The Green Century MSCI International Index Fund (the International Index Fund) seeks to achieve long-term total return which matches the performance of an index comprised of the stocks of foreign companies selected based on Environmental, Social, and Governance (ESG) criteria.

Sustainable Investment Strategy:

The International Index Fund is one of the first diversified and responsible fossil fuel free international index fund available to U.S. investors. The Fund is comprised of the common stocks of approximately 200 companies in the MSCI World ex USA SRI Index, minus the stocks of fossil fuel companies.

The Fund invests in:

Stocks of companies MSCI calculates to have high ESG ratings and that meet Green Century's standards for corporate environmental sustainability. *A sustainable investment strategy which incorporates environmental, social, and governance criteria may result in lower or higher returns than an investment strategy that does not include such criteria.*

Companies in 19 developed markets. It does not invest in companies in the U.S. or emerging market countries.

The Fund excludes corporations that:

Explore for, extract, process, refine, and transmit coal, oil, and gas; burn fossil fuels to make electricity; or possess carbon reserves.

Produce nuclear energy, nuclear weapons, civilian firearms, military weapons, tobacco, GMOs (Genetically Modified Organisms), or alcohol; or are gambling enterprises.

References to specific securities, which will change due to the ongoing management of the Fund, should not be construed as a recommendation of a security by the Fund, its administrator, or the distributor.

Sector Allocation

The performance data quoted is past performance and past performance is no guarantee of future results. Investment return and principal value of an investment will fluctuate so that an investor's shares, when redeemed, may be worth more or less than their original cost. Current performance may be higher or lower than the performance quoted. To obtain performance current to the most recent month-end, please call 1-800-934-7336. Performance includes the reinvestment of income dividends and capital gains distributions. Performance shown does not reflect the deduction of taxes that a shareholder might pay on Fund distributions or the redemption of Fund shares. A redemption fee of 2.00% may be imposed on redemptions or exchanges of shares you have owned for 60 days or less. Please see the prospectus for more information.

*Green Century Capital Management, Inc. (Green Century) is the investment advisor to the Green Century Funds (the Funds).

The World ex USA SRI ex Fossil Fuels Index is a custom index calculated by MSCI Inc. The World ex USA SRI ex Fossil Fuels Index is comprised of the common stocks of the companies in the MSCI World ex USA SRI Index (the World ex USA SRI Index), minus the stocks of the companies that explore for, extract, produce, manufacture or refine coal, oil or gas or produce or transmit electricity derived from fossil fuels or transmit natural gas or have carbon reserves included in the World ex USA SRI (Socially Responsible Investment) Index. The World ex USA SRI Index includes large and mid-cap stocks from approximately 22 developed markets countries (excluding the U.S.).
